EDUCATION

Universidad Nacional de Rosario I.P.S. | Rosario, Argentina | 2019

Computer Science degree.

- The university program combines software-related classes in networks, operating systems and programming languages with discrete mathematics, calculus and computer architecture. The program meshes formal coursework with practical experience, and it provided me with technical skills needed to be a well-rounded developer.

University of Cambridge | Rosario, Argentina | 2018

Cambridge English Advanced (CAE) degree, grade: A.

- Certificate of Advanced English. A C2 Proficiency qualification means that you have mastered English to an exceptional level. It proves you can communicate with the fluency and sophistication of a highly competent English speaker.
